HON. GEORGE B. DANIELS

Re: Willford v United Airlines, Inc. Docket No.18-cv-01060 (GBD)

Dear Judge Daniels:

Attached hereto is our letter dated today to Magistrate Judge Katherine Parker requesting an adjournment of the next discovery conference scheduled before the Magistrate for December 9, 2019, as well as an extension for the end of fact discovery, currently set for the end of November, until January 14, 2020.

As explained in the letter to Judge Parker, I regret to say that the reason for this request is the medical condition of the undersigned, culminating in heart surgery scheduled for December 13th. There are some further details contained in the attached letter. This request is being made with the consent of defendant's counsel.

By order dated October 8, 2019 (Docket No. 69), the Court referred this case for assignment to a Magistrate Judge for, among other things, General Pretrial matters. Notwithstanding, since it was Your Honor that set the end date of the discovery, we are also making the discovery extension request by this letter. There is also a status conference before Your Honor scheduled for December 5, 2019, which we also request to be adjourned either to a date convenient to the Court, or sine die under the circumstances and in view of the reference to the Magistrate.

Thank you for your consideration of the above.

Respectfully,

A handwritten signature in black ink, appearing to read 'M. Furman', with a long horizontal flourish extending to the right.
